# 2010 KPHRA CONFERENCE

*Dear Sponsor,*

The KY Public Human Resources Association (KPHRA) invites you to take advantage of an opportunity to market your firm's services and products to key local government human resource officials, while at the same time assisting us in our goal of sponsoring a self supporting, educational conference.

Twice a year, KPHRA sponsors an educational and professional development conference for human resource administrators that are interested in the impacts of new HR issues in KY local government.

As a company that routinely does business with local governments, being a sponsor at a KPHRA Conference will provide an excellent opportunity to get your company's name noticed by a large group of local government decision makers representing cities from across Kentucky. At the same time your sponsorship will assist KPHRA in providing a high quality conference for members.

This Prospectus provides information on the different sponsorship opportunities that are available. For more information about the conference itself, visit the "conferences and training" section of our website, [www.kphra.org](http://www.kphra.org). Please take a moment to review this package and find the event or level of support that your company would like to be recognized for sponsoring. Sponsorship opportunities are on a first come first serve basis so don't delay!

If you have any questions regarding KPHRA Sponsorship or the conference please contact the KPHRA Sponsorship Coordinator, Gary Musgrave, at the Kentucky League of Cities (800) 876-4552. Or, KPHRA President-Elect and Conference Planning Chair, [VkpC"Up{ f gt "at MRRF C "cv](mailto:VkpC) (724) 488/82: 6, or [tina.snyder@ky.gov](mailto:tina.snyder@ky.gov).

"

For more information about KPHRA training and certification, contact [Joe.Gershtenson@eku.edu](mailto:Joe.Gershtenson@eku.edu) at EKU's Kentucky Institute.

Your contribution and support are greatly appreciated!

*Best wishes,*

*KPHRA Board of Directors*
